Dear Professor Leatham,

Hi, my name is Caitlyn. I am currently doing a public relations project focused on the Center for Teaching and Learning. I would appreciate it if you could answer a few questions and e-mail them back to me.

Do you know about the Center for Teaching and Learning? If yes, what do you know? Where is it located? Have you ever used it or any of its products/services? If so, what have you used and did you find it/them useful? What, if any, were the reactions of your students when you used those services?

Thanks you for taking time out of your schedule to answer these questions.

Have a great week,

Caitlyn O'Connell
